Armor A80

2.5" Portable Hard Drive

■ Ultra fast transfer speeds

Armor A80's outstanding read/write speed is coupled with the latest USB 3.0 interface and is backwards compatible with USB2.0. The USB 3.0 interface features a 5 Gbps/sec bandwidth which is 10x the bandwidth of a USB 2.0 interface. It saves users precious time backing up to and from the hard drive when transferring mass data files.

■ Water, pressure, vibration & dust proof

In compliance with IEC529 IPX7 waterproof test for one meter under water for 30 minutes, Armor A80 is still fully operation. It features dust, pressure-proof and ready for any unexpected situations such as rain, liquid-spillage or accidental drops.

■ Shockproof

In compliance with US MIL-STD-810F (transit drop test), it was tested for

- (1) Product dropped directly onto a concrete floor (or harder surface)
- (2) On a drop-test machine, the product freefalls from a height of 122cm and from the freefall
- (3) There are 26 contact points (8 corners, 12 cut surfaces and 6 major surfaces) that were tested.

■ SP Widget backup & security software

1. " My document " synchronization / backup.
2. Sync or backup other folders.
3. Sync or backup " Outlook / Outlook express ".
4. Copy and encrypting your data into portable hard drive .
5. Download Symantec Norton Internet security 60days trial for free.
